

60 & 72 inch are available  
 100 inch slow

# Nail most any kind of pallet, box, fence, table or whatever!

The GBN Assembly Series of Nailers is available in 60, 72 and 100 inch widths and has the versatility to nail just about anything you can through at it. It was designed for a customer who does not like to use guns and tables. Their thinking was that a machine nailed product is a better and could bring more profitable sales and production. This nailer will run big products or small ones, two at a time side by side. The versatility is beyond all others. Though not fully automatic, the Assemble Series fills a profitable niche in your business.

<b>Pallet Size Limits</b>	<b>No Minimum</b>	<b>Huge Maximum</b>
